LETTER RE: PTO 1449s

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It has now been noticed that applicants have not received a copy of the PTO Form 1449 that was filed with a supplemental disclosure statement on March 23, 2004. A copy of this form is enclosed for the Examiner's review and completion.

It also has been found that there are a few errors of a minor typographical error in the PTO Form 1449 that was returned. In particular, Reference AF has a publication date of 02/1977, the patentee's name for Reference AG is Benoun et al. and Reference AW should be document number 2 057 849. Regarding the latter, GB 2 057 849 was the actual document that was filed with applicants' disclosure statement as noted by the copy which appears in the Image File Wrapper for this application. The other corrections are apparent upon a review of the issued patents that are listed. Corrections of these typographical errors have been made on the PTO Form 1449 that was signed and returned by the Examiner, and it would be appreciated if the Examiner would substitute the revised form for the one that is currently of record in this application so that the correct information will be printed on the issued patent.

No fee is believed to be required for this submission, but please charge any required fees to Winston & Strawn LLP Deposit Account No. 50-1814.

Respectfully submitted,
